MISSION TRIP INFORMATION:

On July 19, 2009 members of Airdrie Victory Church will be traveling to Durban, South Africa to team up with New Covenant Fellowship. The mission in 2009 is to support the needs of The Crisis Care Centre and The Haven. The Crisis Care Centre provides food and clothing for underprivileged families & The Haven focuses on supplying shelter for women and children who are not blessed with this simple necessity. Our goal is to bring a donation of at least \$25,000 to support The Crisis Care Centre & The Haven.

Each member is responsible to cover their own costs and currently we are estimating that the trip will cost \$3000 per person.

If you would like to support this goal, or would like to help sponsor someone individually please fill out the form below so that you can receive a proper tax receipt for your contributions. Tax receipts will only be issued for donations of \$10 or more.
